

Policy for Campus Ambassador

Guidelines for Campus Ambassador

1. The most important part of your job is to make students in your college **aware** of **Advitiya**, and **ensure maximum participation** in its events. This can be done by:
 - o **Sharing the posts** from our Facebook page on your timeline and your college Facebook groups.
 - o The same can also be done through WhatsApp groups.
2. Your role is to ensure that **maximum people** visit our website and **register** (as soon as the registrations begin). This will be the **most important** and the **most rewarding** task.
 - o Focus on the technical clubs of your college, say the Robotics club, the automotive club, etc. and personally talk and convince the members and coordinators to register in various events of Advitiya.
 - o Talk to the **old participants** as they might be interested and can help you get more participants.
3. **Like and follow** our Facebook and Instagram page and convince others to do the same. **Invite people** to like our page by using 'invite all' extensions of your internet browser. You can send the links of these pages personally to your close friends and make them do the same.
4. The events' **posters** will be released on our social media pages, which should be **shared** in different groups on Facebook and WhatsApp. All these activities have **points** and the screenshots of the posts shared by you will help you earn them.
5. You will be required to print some **posters** (on an **A3** sheet of paper or bigger) and paste them at various **active and lively areas** of your college like the cafeteria, mess, notice boards etc. **Share** pictures of those posters along with students on the **Facebook** page of Advitiya and use its screenshot to earn points.
6. You have to take **permissions** from your Faculties (or DEAN Student Affairs) for organizing **flash mobs** and **publicity drives** in your colleges.
7. Check your **Mail** and **WhatsApp** regularly for the **updates**.
8. **Deadlines** are important. Make sure you adhere to them else you will **lose points**.

Begin your work by liking and inviting others to like the Facebook page of Advitiya. Share the existing videos and posts of Advitiya and most importantly share the '**Campus Ambassador**' post in Facebook and WhatsApp groups of other colleges. Here are the links to our various pages and websites:
